

UME Martins Fontes ANO: 6º Ano

Componente curricular: Matemática

ATIVIDADE: POLÍGONOS

PERÍODO: 20/09/21 a 30 /10/21

POLÍGONOS

Poli significa muitos e gonos significa ângulos.

Observe a tabela e escreva os nomes dos polígonos de acordo com o número de lados.

penta	hexa	hepta	octo	enea	deca
5 lados	6 lados	7 lados	8 lados	9 lados	10 lados

 _____	 _____	 _____	 _____
 _____	 _____	 _____	 _____

Dê o nome de cada triângulo:

 _____	 _____	 _____
--	--	--

1- Observe cada polígono e complete:

a) O polígono  tem _____ lados

É chamado de _____

b) O polígono  tem _____ lados

É chamado de _____

c) O polígono  tem _____ lados

É chamado de _____

d) O polígono  tem _____ lados

É chamado de _____
