Vamos trabalhar com interpretação de texto hoje.

What size do you wear?

Did you know that there is not a universal system for sizes in clothes and footwear? Many countries have their own sizes, which cause some confusion to visitors.

In the USA, shirt sizes are commonly classified as S (Small), M (Medium), L (Large) and XL (Extra-Large). Let's compare some shoes sizes in Brazil, in the USA, and in the UK.

Footwear

Brazil	United States	United Kingdom
34	3 ½	2
35	5	3 ½
36	5 ½	4
37	6	4 ½
38	6 ½	5
39	7	5 ½
40	7 ½	6

Agora, responda:

1- O que significa UK?

2- Qual é o tema do texto?

3- Leia as afirmações a seguir baseadas no texto e decida se estão corretas (Y) ou incorretas (N).
