ANO: 9° _____

Componente Curricular: L.E.M.Inglês

PROFESSORA: Andréa Roubian

PERÍODO DE 07/06 à 21/06/21

Atenção! Hoje faremos apenas interpretação de textos.

Text 1 - What is happening now?

Temperatures have risen during the last 30 years, and 2001 to 2010 was the warmest decade ever record. As the Earth warms up, heat waves are becoming more common in some places, including the United States. Heat waves happen when a region experiences very high temperatures for several days and nights.

From: www.epa.gov (fragment)

1- A finalidade do texto é:

- () bring a reflection
- () criticize
- () announce
- () sell a product

2- Segundo o texto:
