The Journey Through Autism (text 1)

About Ethan Hirschberg

Hello. My name is Ethan Hirschberg and I'm sixteen years old. When I was two, I was diagnosed with high functioning autism. [...] I live with my parents, little brother, and two Goldendoodles!

Because of my special needs, my brother and I fight more than other siblings, but we make it work. My family still stays strong.

They are my rock and I love them to the moon and back. I absolutely love to write (especially blogging). Besides writing and school, I like to hang out with family and friends, practice martial arts, cook, and run my own business. [...]

*Disclaimer - it might not be.

El is also known as Lia, a 13-year-old girl living by the seaside in the UK. El likes reading, films, history, and more reading.

Jae is Joanne, who is Lia's mum and is really ancient. Jae likes films(any films), writing and baking. Jae [...] is still finding out about teenagers. [...]

We both wear glasses. We both live in the same house. Other than that we are very different. El has long hair for a start.

Other people you may meet:

Eye is El's little brother.
